SUBJECT: STONE CHURCH ROUTE SIX

As you know we will soon be going out for bid for sale on the Bernstein home, Route 132, and the Jefferson Village Condo which the Town of Yorktown owns.

We feel that this may be a good time to explore the feasibility of the Town of Yorktown purchasing the Stone Church on Route Six. The possible use for the town may be and not limited to Visitor Center, Nature Center, Museum, etc. It also would preserve a building of unique character and charm and the wetlands associated with the land.

We understand that proper appraisals would have to be conducted.

We would like this item to be discussed at a work session as soon as practical.
